Department of CSE and ET

Empowering the future with knowledge and innovation

[About Department](#)[Achievements](#)[Placements](#)[Contact](#)

### About the Department

The Department of Computer Science and Engineering (CSE) and Electronics & Telecommunication (ET) aims to impart quality education in the fields of computer science and electronics. The department focuses on fostering innovation, research, and holistic development in students.

**Mission:** To produce industry-ready professionals in the domains of CSE and ET.

**Vision:** To be recognized as a leader in education and research in CSE and ET, contributing to the advancement of technology.

### Department Achievements

- Ranked in the top 5 for research output in the region.
- State-of-the-art laboratories in AI, ML, and Robotics.
- National-level competitions won by students.
- Collaborations with leading tech companies for research and placements.

### Placements

Our department has a stellar track record for student placements. Top-tier companies from various sectors visit every year for recruitment.

- Amazon
- Fivetrn
- Accenture
- Darvinbox
- Mircosoft

### Contact Us
